## 卫明辉 Minghui Wei

卫明辉，2022年毕业于河南师范大学油画系。

卫明辉以超现实绘画作为基础语言，大量打捞转瞬即逝又自相矛盾的时间线。他绘画的主体游离在名词，形容词，和副词之间，导向一种由机械性日常繁殖出的系统性幽默。在这种结构下，一切习以为常的状态都成为了艺术家不得不对抗的幻觉，进而还原初始的生命动机。

Minghui Wei graduated from the Oil Painting Department at Henan Normal University in 2022.

Minghui Wei engages surrealist painting as the core of his creative language to salvage plenty of transient and paradoxical axes of time. The subjects of his images oscillate between nouns, adjectives, and adverbs, resulting in a form of humour derived from living mechanically. In this structure, all the common states are transformed into delusions that Minghui has to dispel, in order to restore the original motive for being alive.
