ARTIST

王盈盈 YVETTE WONG

王盈盈，1996年生于中国香港；2018年毕业于伦敦大学金史密斯学院，获媒体与传播学士学位；2020年毕业于中央圣马丁艺术与设计学院，获平面传播设计硕士学位。目前在上海工作，并与一只猫和一只狗同住。

王盈盈的绘画语言摒弃了理性联系的中介差距，通过随机停滞的流量线条来模拟浪漫。在艺术家朦胧的实践领域中，日常审美被转化为“感知经度”和“形式纬度”的混合体，颂扬了不和谐的生动迷宫。这些界面抹去了关于发生与未发生的平行故事，以静态的方式移动：也许是一幅肖像，一瓶冷啤酒，或者其他什么。

Yvette Wong, born in 1996 in Hong Kong, China; graduated from Goldsmiths University of London in 2018 with a BA in Media and Communications and Central Saint Martins in 2020 with a MA in Graphic Communication Design. Currently works in Shanghai and live with a cat and a dog.

Yvette Wong's language of painting abandons the mediated gaps of rational affiliation by randomly stagnating lines of flux that resemble romance. In the artist's hazy field of practice, the everyday aesthetic is transformed into a hybrid of 'perceptual longitudes' and 'formal latitudes,' which celebrates the animated labyrinth of dissonance. These interfaces erase parallel stories of what has or has not happened, moving in a static manner: perhaps a portrait, a bottle of chilled beer, or whatever.
